

According to UNESCO, **education** is the single most important factor in **breaking the poverty cycle**

The One Less Foundation — where hope and opportunity converge to build paths out of poverty.

**Hope & Opportunity**

In 2016 we're showcasing how the generosity of our donors, time of our volunteers and the work of our staff and board come together to bring Hope & Opportunity to under-served Philadelphia communities. See our programs in action and read stories of success.

**SUCCESS**

### Program Spotlight: SAT Prep

In the fall of 2013, we began offering a 6-week program specifically designed for students in under-served schools using curriculum we created. As of this year, we've had 72 students complete the class offered in our offices on Saturday mornings. Typically our students see a 200-400 bump in their scores (based on the old test format). Read from students why this program is important to them.

### 3rd Annual Everyone's a Philanthropist Spring Fundraiser

Join us for our Sip & Savor Spring Fundraiser on **Saturday, May 21**,

**2016.** Sample flavors from local restaurants, chefs, bakeries and more. Enjoy the delicious fares, cocktails and great entertainment.
